Re: Appeal case #82-7-Fanny Golden v
Old King's Highway Regional
Historic District Committee for
The Town of Brewster- Sign application

Dear Ms. Vaughn:

This is to advise you that on June 1, 1982 the Commission received a request from the petitioner to withdraw her appeal in the above entitled matter. The Commission accepted this request and allowed the withdrawal of the appeal.

The Commission is optimistic that a practical solution to the pending problem can be worked out between the applicant and the local Committee.

Very truly yours,

Elliott B. MacSwan
