Re: Appeal #84-14 by Edward Varjabedian against  
the Certificate of Appropriateness issued to  
William Golden

Dear Mr. Lahteine:

This is to advise you that by agreement of all parties involved, the Appeal entered in the above entitled matter was withdrawn by the Petitioner because the Barnstable Conservation Commission failed to approve the plans originally covered by the Certificate of Appropriateness issued by the Barnstable Committee.

It was further acknowledged by the parties involved that a new application and filing would be made with the Barnstable Committee.

Very truly yours,
