Re: Robertson v. Town of Sandwich Historic District Committee

Dear Mr. Brown:

Pursuant to my recent conversation with you, request is made that the above-captioned Petition for Appeal be continued generally. The reason for such request is that Mr. Robertson is making a new filing with the Sandwich Historic District Committee, the outcome of which might well render this appeal moot.

As counsel for the appellant, I hereby officially again waive the requirement that the Commission act and make a determination within 30 days of the date of filing of the Petition for Appeal.

Thanking you for your courtesy in this matter, I remain

Sincerely,

Richard C. Anderson
