No. 75-5

Dear Mr. Cash:

Following the receipt of your letter dated July 24, 1975 the question of an appeal to the Old King's Highway Regional District Commission on a decision of the Brewster Committee was discussed at the Commission meeting August 4, 1975.

It was the unanimous decision of the Old King's Highway Regional Historic District Commission that the Brewster Committee decision could not be construed to have followed the mandate of the law (Chapter 470, General Law of 1973).

According to the law you are entitled to a publicly advertised hearing. The chairman of the Brewster Committee, Mr. Robert Libby, has been instructed to contact you and arrange to handle this in accordance with the law.

Very truly yours,

William G. Hanger
Chairman
