

Old King's Highway Regional Historic District Commission

P. O. Box 433, Dennis, Massachusetts

February 13, 1976.

No. 76-1

Mr. Richard W. Wallace
8 Norfolk Terrace
Wellesley, Massachusetts 02181

Dear Mr. Wallace:

On February 11, 1976 I received your improperly addressed letter of appeal dated January 31, 1976.

The decision of the Orleans Committee was dated on January 26, 1976 and filed on January 27, 1976 with the Town Clerk's office.

In order to have perfected your appeal, notice of the appeal should have reached the Regional Commission by February 6th. Section 11 of the Act states that appeals of local town committees' determinations may be taken if filed within ten days after the filing of a notice of such committee with the local town clerk.

The receipt of your notice of appeal on February 11th is five days beyond the appeal period and therefore it is beyond the power of the Commission to review the certificate of appropriateness granted by the local committee.

Very truly yours,

William G. Hanger, Chairman
