

Appeal #76 - 7 (Brewster)

As Mr. MacSwan, Treasurer was not present, reading of the Treasurer's Report was dispensed with. Mr. Bourne noted that the appeal which had been taken by Donald Guckes from a decision of the Brewster Town Committee denying a certificate of appropriateness had been withdrawn, the matter having been amicably settled by the appellant and the Town Committee. He also noted that a letter had been sent by him as Acting Chairman to the several newspapers in the area indicating that changes in construction plans required prior approval by town committees to avoid possible imposition of fines and penalties.
